

HIGH SPEED OVEN

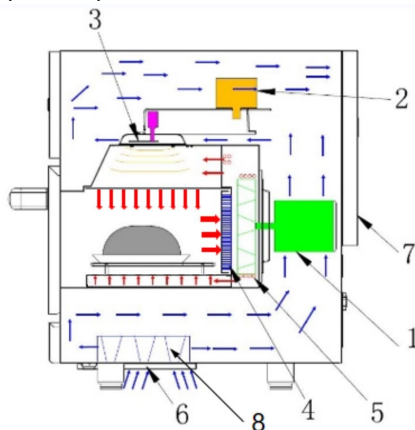

HSS-208
Model Shown

SPECIFICATIONS:

Solaris Model HSB-208, HSB-240, HSS-208, & HSS-240 is a single compartment high speed oven. The Solaris oven is designed to provide customers with fast, energy-efficient, easy-to-operate cooking solutions that allow them to handle peak meal times with ease.

Solaris combines microwave, hot air impingement and smart cooking technologies to deliver fast cooking without compromising on food quality, while saving energy and reducing space requirement.
